Direct Payment Plan

We can now offer you the convenience of paying your bill by automatic withdrawal from a checking or savings account or an automatic charge to a credit card.

The Direct Payment Plan will help you in several ways:

- It saves time—fewer checks to write.
- Helps you meet your commitment in a convenient and timely manner—even when you're on vacation or out of town.
- No lost or misplaced statements, your payment is always on time—it helps maintain good credit.
- It saves postage.
- It's easy to sign up for, easy to cancel.
- No late charges.

How it Works

You authorize regularly scheduled payments to be made from your checking or savings account, or automatically charged to your credit card. Then just sit back and relax. Your payments will be made automatically on the specified day, and proof of payment will appear on your statement. The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization. The Direct Payment Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete the attached authorization form and return it to us. If you are having funds withdrawn from a checking account, please attach a voided check. Please remember to sign the designated area.

Option #1-ACH-Deduction from Checking or Savings Account

This option will authorize Culligan of Amarillo to automatically draw from your checking or savings account on the 1st business day of every month. The withdrawal will be the amount reflected on the most recent statement. You will be able to view the deduction on your bank statement via the internet or on the statement you get from the bank at the end of the month.

Option #2-Automatic charge to your VISA, MasterCard or Discover

This option gives Culligan of Amarillo the authority to submit an automatic charge to your Visa, MasterCard or Discover. The charge will be done on the 1st business day of every month. The charge will be the amount reflected on the most recent statement. Verification of this charge will be available to you through your credit card company.

**Please notify us immediately of any changes to your account information.
When using the direct payment plan, you will no longer receive a monthly statement.
